

Dear sir or madame,

I am pleased to highly recommend Jorge Stefano Cruz Steinbach. As a full professor at the Complutense University of Madrid, I had the opportunity to teach and supervise his work throughout a semester as part of the course "Culture of Peace and Conflict Resolution".

This student has demonstrated an intellectual curiosity, showing a constant willingness to explore new ideas. This is reflected in the quality of his work, which each time shows a deep understanding and in-depth reflection on the course content. His ability to quickly assimilate complex concepts and to integrate them thoughtfully into his analyses regularly brings original perspectives to his work.

His end-of-semester project, which consisted of applying the lessons learned from the course to a given conflict situation, illustrated his constant and meaningful commitment. This work also highlighted his in-depth critical analysis and ability to formulate arguments persuasively.

Mr. Cruz has demonstrated an exceptional ability to articulate the notions and concepts studied in a relevant and interesting way. I noticed a marked interest on his part in the subject, as well as an ability to deepen the reflection in a significant way.

I warmly recommend Jorge Stefano Cruz Steinbach.

Sincerely
